

# OAK STRATA COLLECTION

Oak Strata is our essential starter collection which offers both craftsmanship and class at a very competitive price.

The boards are sanded smooth, some are smoked and they are all sealed with a selection of clear or pigmented oils for ageless simplicity. The Strata range has a classic natural grain and comes in four distinctive beautiful colours, two standard widths and is also available in parquet.

Capturing the unadorned beauty of simply finished oak, this is a high value for money choice.

Available in ten colours in boards as well as parquet.

## INSTALLATION:

Only when high quality timber boards are fitted by specialist, skilled installers do they become a beautiful floor. Our clients expect nothing less than the high standards we demand from our installers. Learn more on our website.

## SUSTAINABLE FLOORS

Wherever possible, we purchase from timber mills that manufacture floorboards using ecological sustainable production processes. The majority of our timber collections are certified against the FSC<sup>®</sup> or PEFC chain of custody standard. We believe that our timber suppliers' on-going investments and innovations will benefit us all and we are proud to be actively supporting their businesses. Learn more on our website.
