

OAK STRATA COLLECTION

Oak Strata is our essential starter collection which offers both craftsmanship and class at a very competitive price.

The boards are sanded smooth, some are smoked and they are all sealed with a selection of clear or pigmented oils for ageless simplicity. The Strata range has a classic natural grain and comes in four distinctive beautiful colours, two standard widths and is also available in parquet.

Capturing the unadorned beauty of simply finished oak, this is a high value for money choice.

Available in four colours in boards as well as parquet.
